### LONG STAPLE COTTON MARKET CONDITIONS

The New Bedford Sunday Standard-Times of February 2 states as follows:

"Trading in extra staple cotton was comparatively light during the past week, but prices continued firm, and in one particular type of slightly off grade cotton - strict low middling which inch and three thirty-seconds, there was some strengthening in the market due to the withdrawal of some of the lower priced offerings. Cotton that had been available for purchase at 135 on May was not obtainable this week under 150 on and in some cases was advanced to 165 and 170 on.
